

NRB MEMBERS WORK TOGETHER IN GREAT COMMISSION PARTNERSHIP

[Dateline: USA, June 2022] – Guidelines International Ministries and Your Network of Praise (YNOP) have partnered in the US and Africa to share Jesus in multiple languages. YNOP was one of the first networks in the US to carry Reset with Bonnie Sala, a 2-minute daily devotional launched in January 2021. By March, YNOP’s New Life Africa Satellite Network (NLASN) aired its first broadcast with Reset in its program schedule.

The partnership expanded in 2022 to broadcast Reset in Swahili for NLASN and the 5-minute Guidelines for Living devotional in French on YNOP’s Vie Nouvelle Afrique network.

Bonnie Sala, Guidelines president, says, “Our hearts beat for Great Commission partnership, so we are incredibly excited to be on mission with YNOP—working together with God’s people in the leading of the Holy Spirit to finish the Task!” The same sentiment is echoed by Roger Lonquist, president and general network manager of YNOP: “There IS joy in the house of the Lord today, for sure! I have been amazed at the ways God is working these days to equip and propel ministries forward. We certainly want to do all we can during this special season!”

Guidelines received NRB’s International Strategic Partnership Award in 2021, while YNOP was awarded the International Impact Award in 2022. Both Sala and Lonquist are members of NRB’s International Committee. Lonquist is also a board member of NRB.
